The PWC Boston Chapter's 2024-2025 Program Year included a variety of monthly events focused on the organization's mission of promoting awareness, allyship, education and connection. Our annual Golf event in May and Awards Celebration in October drew in hundreds of A/E/C and affiliated professionals. The chapter also produced two Hard Hat Tours, a Fireside Chat by Andy Reinach of Alexandria Real Estate, and its first event in our newly-established Purposeful Diversity Series entitled, "Career Conversations: A Path to Entrepreneurship." In addition, member breakfast events, cocktail hours and celebrations held in September, January and August provided a fun and valuable forum for agenda-less connection and networking in some of Boston's most enjoyable venues.
